

Personal Development/Business/Prosperity/Spirituality

Ready to awaken the power within you?

Good! This book is your gentle – yet powerful – guide!

You know there is power locked inside that you haven't tapped yet...whether in your personal relationships, business, trade or political activities. You also know this power is not about force, but about peace. Not about competition, but love. The question is: How do you awaken the power within? How do you transform your life?

The Secrets to Awakening the Power Within will remind you how. Peter Sammarco, best selling author of The Five Pillars of Relationships (www.fivepillars.ca), flows his intensity and passion into a powerful collection of personal quotes to serve as your private mentor. Inside you'll find practical words of wisdom that have already transformed the daily lives of many just like you.

Considered a new classic in life enhancement, the book you now hold in your hands reveals how your inner power is intimately tied to love, forgiveness, wealth, peace, laughter, trust...to everything in your world! So awaken the power within, and know that "within each one of us is the ability to be free and to live from that place of love."

About the Author:

Peter Sammarco knows this: we are one, and capable of doing everything and anything. It is from this knowing, and from his own personal odyssey, that he shares the secrets that need to be awakened within us all. Whether in his writing, or through his service with CanPeace Consultants Inc., Peter delivers practical help for growing true success in daily life.
